EDUCATION

Parul University
B.Tech in Computer Science
CGPA: 6.5

Vadodara, Gujarat
Expected Graduation, April 2025

PROFILE SUMMARY

Aspiring **Frontend Developer** with a strong focus on crafting responsive, high-quality web applications. I am proficient in **HTML5, CSS3, and JavaScript**, creating fast, efficient websites with a keen eye on user experience. Skilled in **React** for building reusable components and seamless interactions, I also leverage **Tailwind CSS** to design modern, mobile-responsive interfaces. My experience with JavaScript libraries like **GSAP and Swiper** allows me to incorporate smooth animations that enhance engagement. With a foundational knowledge of **Figma and prototyping**, I bring design concepts to life as functional, interactive interfaces. Passionate about growth, I stay up-to-date with the latest development trends to bring fresh ideas and innovative solutions to each project.

PROJECTS

Go Globe [\[View Project\]](#)

Tools and Frameworks: React, Swiper.js, GSAP, Tailwind CSS

Developed and designed a **multi-page frontend-only** travel application for the fictional brand Go Globe using React and Tailwind CSS. The landing page and dashboard were designed by me. The landing page features **GSAP and Swiper animations**, while the **dashboard** provides travel details with search functionality. Additional components include the **booking page** displaying flight and hotel statuses, the **explore page** with filterable tour packages, as well as **profile, settings, and support pages**, and secure **login and sign-up** features. The application uses static data to simulate API interactions, focusing on a **responsive, user-friendly experience**.

Furniture [\[View Project\]](#)

Tools and Frameworks: HTML, Tailwind CSS, CSS, JavaScript, GSAP, and Swiper.js

Furniture a dynamic landing page for a furniture company, crafted with **HTML, Tailwind CSS, and JavaScript**. The page features **responsive design** for all devices, fluid animations with **GSAP**, and seamless navigation through **Swiper.js**. **Tailwind CSS** ensures a modern and polished appearance, creating an immersive and elegant showcase of our furniture collection. Explore and experience the blend of functionality and style!

CERTIFICATIONS

- Earned a certification in **Introduction to Front-End Development** from Meta, showcasing skills in front-end technologies and development practices. [\[View Certificate\]](#)
- Earned a certification in **React Basics** from Meta, demonstrating proficiency in fundamental React concepts and development practices. [\[View Certificate\]](#)

SKILLS

Programming: HTML, CSS, JavaScript, Tailwind CSS, React

Design Tools: Figma

Frontend Development Skills: Responsive design, and cross-browser compatibility
